# A most peculiar man

(capo 1)

C C

Dm

He was a most peculiar man.

G<sup>7</sup>

That's what Missus Riordon said, and she should know;

C F

She lived upstairs from him.

G<sup>7</sup> C

She said he was a most peculiar man.

C

Dm

He was a most peculiar man.

G<sup>7</sup> C F G<sup>7</sup>

He lived all alone within a house, within a room, within himself.

G<sup>7</sup> C

A most peculiar man.

C

He had no friends, he seldom spoke,

Dm

And no one in turn ever spoke to him,

G<sup>7</sup>

'Cause he wasn't friendly and he didn't care,

C F G<sup>7</sup>

C

And he wasn't like them. Oh, no! He was a most peculiar man.

C

He died last Saturday,

Dm

He turned on the gas and he went to sleep,

With the windows closed so he'd never wake up

To his silent world and his tiny room,

G<sup>7</sup>

And Missus Riordon says he has a brother somewhere

C

Who should be notified soon.

F G<sup>7</sup>

C

Am

And all the people said, "What a shame that he's dead,

F G<sup>7</sup>

C

But wasn't he a most peculiar man?"

# A soulin

**Em / D / C / Em**

Hey, ho, nobody home,  
meat, nor drink, nor money have I none  
can't you, we be merry,  
hey ho, nobody home.

Chorus: A soulin, a soulin, a soulin cake  
Please, good missus, a soulin cake  
An apple, a pear, a plum or a cherry  
Any good thing to make us all merry  
One for Peter, two for Paul  
Three for Him who made us all

God Bless the master of this house, the mistress also  
And all the little children who around your table grow  
the cattle in your stable, the dog at your front door.  
And all that dwells within your gates  
we wish you ten times more  
chorus:

Go down into your cellar,  
and see what you can find,  
if the barrels are all empty  
we hope you will be kind.  
with the apple in your sill, and the pumpkin in your chair  
We won't come no more till this time next year  
chorus:

The streets are very dirty and my shoes are very thin  
I've got a little pocket I can put a penny in  
If you haven't got a penny, a ha' penny will do  
If you haven't got a ha' penny, then God bless you.  
chorus:

Hey, ho, nobody home,  
meat, nor drink, nor money have I none  
can't you, we be merry,  
hey ho, nobody home.

Hey, ho, nobody home...  
Hey, ho, nobody home...

Look at Mother Nature on the run

C G

In the nineteen seventies.

I was lying in a burned out basement  
With a full moon in my eye  
I was hoping for replacement  
When the sun burst through the sky  
There was a band playing in my head  
And I felt like getting high  
I was thinking about what a friend had said  
I was hoping it was a lie  
Thinking about what friend had said  
I was hoping it was a lie

Well I dreamed I saw the silver spaceship flying  
In the yellow haze of the sun  
There were children crying and colors flying  
All around the chosen one  
All in a dream, all in a dream  
The loading had begun  
Flying mother nature's silver seed  
To a new home in the sun  
Flying mother nature's silver seed  
To a new home...

# American Pie

C G Am<sup>7</sup>

A long, long time ago,

Dm F Am G  
I can still remember how that music used to make me smile

C G Am<sup>7</sup>  
And if I knew I had my chance,

Dm F Am F G  
That I could make those people dance and maybe they'd be happy for a while

Am Dm Am Dm  
But February made me shiver, with every paper I'd deliver

F C Dm F G  
Bad news on the doorstep, I couldn't take one more step

C G Am Dm<sup>7</sup> G  
I can't remember if I cried when I read about his widowed bride

C G Am F G<sup>7</sup> C F C  
Something touched me deep inside the day the music died

C F C G  
So bye, bye Miss American Pie

C F C G  
Drove my Chevy to the levy but the levy was dry

C F C G  
And then good old boys were drinkin' whiskey and rye

Am D<sup>7</sup> Am G<sup>7</sup>  
Singin' this will be the day that I die, this will be the day that I die

F Dm Am G  
An' do you have faith in god above, if the bible tells you so?

You believe in rock and roll

Dm<sup>7</sup> F Am D<sup>7</sup> G  
Can music save your mortal soul and can you teach me how to dance real slow?

Am G Am G  
Well I know that you're in love with him 'cuz I saw you dancin' in the gym

F C D<sup>7</sup> F G<sup>7</sup>  
You both kicked off your shoes, man I dig those rhythm and blues

C G Am Dm F  
I was a lonely teenage broncin' buck with a pink carnation and a pickup truck

And I asked her for some happy news, but she just smiled and turned away

C G Am

I went down to the sacred store

Where I'd heard the music years before, but the man there said the music wouldn't play

But in the streets the children screamed, the lovers cried and the poets dreamed

# Ballad of Hollis Brown

Hollis Brown, he lived on the outside of town  
Hollis Brown, he lived on the outside of town  
With his wife and five children and his cabin broken down

He looked for work and money and he walked a ragged mile  
He looked for work and money and he walked a ragged mile  
Your children are so hungry that they don't know how to smile

Your babies eyes look crazy, they're a-tuggin' at your sleeve  
Your babies eyes look crazy, they're a-tuggin' at your sleeve  
You walk the floor and wonder why with every breath you breathe

The rats have got your flour, bad blood it got your mare  
The rats have got your flour, bad blood it got your mare  
If there's anyone that knows, is there anyone that cares?

He prayed to the Lord above, oh please send you a friend  
He prayed to the Lord above, oh please send you a friend  
Your empty pockets tell you that you ain't a-got no friend

Your baby's a-cryin' louder now, it's a poundin' on your brain  
Your baby's a-cryin' louder now, it's a poundin' on your brain  
Your wife's screams a-stabbin you like the dirty driving rain

Your grass is turning black, there's no water in your well  
Your grass is turning black, there's no water in your well  
You spent your last long dollar on seven shotgun shells

Way out in the wilderness, a cold coyote calls  
Way out in the wilderness, a cold coyote calls  
Your eyes fix on the shotgun that's hangin' on the wall

Your brain is a-bleedin and your legs can't seem to stand

There's seven breezes blowin' all around the cabin door

Before you call him a man?

How many seas must a white dove sail

The answer is blowing in the wind

How many years can a mountain exist

Before it's washed to the sea?

How many years must some people exist

Before they're allowed to be free?

And how many times can a man turn his head

And pretend that he just doesn't see? (the answer)

The answer my friends is blowing in the wind

The answer is blowing in the wind

How many time can a man look up

Before he sees the sky?

How many ears must one man have

Before he can hear people cry?

And how many deaths will it take 'til he knows

That too many people have died?

The answer my friends is blowing in the wind

The answer is blowing in the wind

Oh the answer my friends is blowing in the wind

The answer is blowing in the wind.....

I met him in a cell in New Orleans

I was down and out

He looked to me to be the eyes of age

As he spoke right out

He talked of life, he talked of life

Then laughed n slapped his leg a  
step

Mr. Bojangles...Mr. Bojangles...Dance

He said his name Bojangles and he danced a lick

All across the cell

He grabbed his pants, for a better stance

Oh he jumped so high and clicked his heels

He let go a laugh, let go a laugh

Shook back his clothes all around

Mr. Bojangles...Mr. Bojangles...Dance

He danced for those at minstrel shows and county fairs

Throughout the south

He spoke with tears of 15 years

How his dog 'n him, just travelled all about

His dog up and died, his dog up and died

After 20 years he still grieves

Mr. Bojangles...Mr. Bojangles...Dance

He said I dance now at every chance in honky tonks

For drinks and tips

But most of the time I spend behind these county bars

'Cause I drinks a bit

He shook his head, and he shook his head

I heard someone ask him... "Please"

Em              C              G

Oh I'm sailin' away my own true love

Em    D/F#    G

I'm sailin' away in the morning

Em              C              G

is there something I can send you from across the sea

Em    D/F#    G

From the place that I'll be landing?

No, there's nothing you can send me my own true love.

There's nothing I'm a-wishin' to be ownin'.

Just a-carry yourself back to me unspoiled  
from across that lonesome ocean.

Ah, but I just thought you might want something fine  
made of silver or of golden  
either from the mountains of Madrid  
or the coast of Barcelona.

But if I had the stars from the darkest night  
and the diamonds from the deepest ocean,  
I'd foresake them all for your sweet kiss,  
for that's all I'm wishin' to be ownin'

But I might be gone a long old time,  
and it's only that I'm askin'.  
Is there something I can send you to remember me by,  
To make your time more easy passin'?

Oh how can, how can you ask me again?  
It only brings me sorrow.  
The same thing I would want today  
I would want again tomorrow.

Oh I got a letter on a lonesome day.  
It was from her ship a'sailin'.  
Sayin' "I don't know when I'll be comin' back again.  
It depends on how I'm a-feelin'."

If you my love must think that a'way  
I'm sure your mind is a'roamin'.  
I'm sure your thoughts are not with me  
but with the country to where you're goin'.

So take heed, take heed of the Western winds.  
Take heed of the stormy weather.  
And yes, there's something you can send back to me:  
Spanish Boots of Spanish Leather.

## Chimes of Freedom

Far between sundown's finish and midnight's broken toll  
We ducked inside a doorway as thunder went crashing  
As majestic bells of bolts struck shadows in the sounds  
Seeming to be the chimes of freedom flashing  
Flashing for the warriors whose strength is not to fight  
Flashing for the refugees on the unarmed road of flight  
And for each and every underdog soldier in the night  
And we gazed upon the chimes of freedom flashing

Through the city's melted furnace, unexpectedly we watched  
With faces hidden as the walls were tightening  
As the echo of the wedding bells before the blowin' rain  
Dissolved into the bells of the lightning  
Tolling for the rebel, tolling for the rake  
Tolling for the luckless, they abandoned and forsaked  
Tolling for the outcast, burning constantly at stake  
And we gazed upon the chimes of freedom flashing

Through the mad, mystic hammering of the wild ripping hail  
The sky cracked its poems in naked wonder  
As the clanging of the church bells blew far into the breeze  
Leaving only bells of lightning and its thunder  
Striking for the gentle, striking for the kind  
Striking for the guardians and protectors of the mind  
And the poet and the painter far behind his rightful time  
And we gazed upon the chimes of freedom flashin'

In the wild cathedral evening the rain unraveled tales  
For the disrobed faceless forms of no position  
Tolling for the tongues with no place to bring their thoughts  
All down in taken-for-granted situations  
Tolling for the deaf and blind, tolling for the mute  
For the mistreated, mate-less mother, the mis-titled prostitute  
For the misdemeanor outlaw, chained and cheated by pursuit  
And we gazed upon the chimes of freedom flashing

Even though a cloud's white curtain in a far-off corner flared  
And the hypnotic splattered mist was slowly lifting  
Electric light still struck like arrows fired but for the ones  
Condemned to drift or else be kept from driftin'  
Tolling for the searching ones on their speechless seeking trail  
For the lonesome-hearted lovers with too personal a tale  
And for each unharmed, gentle soul misplaced inside a jail  
And we gazed upon the chimes of freedom flashing

Starry-eyed and laughing as I recall when we were caught  
Trapped by no track of ours for they hang suspended  
As we listened one last time and we watched with one last look  
Spellbound and swallowed 'til the tolling ended  
Tolling for the aching whose wounds cannot be nursed  
For the countless confused,  
Accused, misused, strung-out ones and worse  
And for every hung-up person in the whole wide universe  
And we gazed upon the chimes of freedom flashin'

After all the sin we've had

# Desolation Row

D

They're selling postcards of the hanging

D G D

They're painting the passports brown

D A

The beauty parlour's filled with sailors

G D

The circus is in town

D

Here comes the blind commissioner

D G D

They got him in a trance

D A

One hand is tied to the tightrope walker

G D

The other is in his pants

D G

And the riot squad they're restless

D G

They need somewhere to go

D A

As lady and I look out tonight

A G D

On Desolation Row

Cinderella she seem so easy.

It takes on to know one she smiles.

Then puts her hand in her back pocket,  
Betty Davis style.

Then in comes Romeo he's moaning.

You belong to me I believe.

And someone says you'r in the wrong  
place my friend

You better leave.

And the only sound that's left

After the ambulances go.

Is Cinderella sweeping up

On Desolation Row.

Now the moon is almost hidden  
The stars are beginning to hide  
The fortune telling lady  
Has already taken all her things inside.

All except for Cane and Able  
And the Hunch Back of Notre Dame  
Everyone is making love  
Or else expecting rain  
And the good samaritan he's dressing  
He's gettin ready for the show.  
He's going to the carinval

Tonight on Desolation Row.

Now Ophelia she's 'neath the window.  
For her I feel so afraid.  
On her twenty-second birthday  
She already is an old maid.  
To her death is quite romantic.  
She wears an iron vest.  
Her profession's her religion,  
Her sin is her lifelessness.  
And though her eyes are fixed upon  
Noah's great rainbow  
She spends her time peeking  
Into Desolation Row.

Einstein disguised as Robin Hood  
With his memories in a trunk  
Passed this way an hour ago  
With his friend a jealous monk.  
He looked so imaculately frightful  
As he bummed a cigarette  
Then went off sniffing drain pipes  
And reciting the alphabet.  
No you would not think to look at him  
That he was famous long ago  
For playing the electric violin  
On Desolation Row.

Doctor filth he keeps his word  
Inside a leather cup  
But all his sexless patients  
Are trying to blow it up.  
Now his nurse a local looser  
She's in charge of the cyanide hole  
And she also keeps the cards that read  
Have mercy on his soul.  
They all play on penny whistles  
You can hear them blow  
If you lean your head out far enough  
From Desolation Row

Across the street they've nailed the curtains  
They're gettin ready for the feast  
The phantom of the opera  
A perfect image of a priest  
They're spoon feedin Casonova  
To get him to feel more assured  
Then they'll killed him with self confidence  
After poisoning him with words  
And the phantom shouting to skinning girls  
Get outta her don't you know  
Casanova is just being punished  
For going to Desolation Row.

Now at midnight all the agents  
And the superhuman crews  
Round up everyone  
That knows more than they do.  
Then they bring them to the factory  
Where the heart attack machines  
Is strapped across their shoulders  
Is brought down from the castles  
By insurance men that go  
Check to see that nobody is escaping  
To Desolation Row

Praise be to Nero's Neptune  
The Titanic sails at dawn  
And everybody shouting  
Which side are you on  
And Ezra Pound and T.S. Eliot  
Fighting in the captains tower  
While calypso signers laugh at them  
And fishermen hold flowers  
Between the windows of the sea  
Where lovely mermaids flow  
And nobody has to think too much  
About Desolation Row

Yes I received your letter yesterday  
About the time the door knob broke.  
When you asked me how I was  
Was that some kind of joke.  
All those people that you mention  
Yes I know them they're quite lame.  
I had to rearrange their faces  
And give them all another name.  
Right now I can't read too good  
Don't send me no more letters no.  
Not unless you mail them from  
Desolation Row.

da tut sie wie der Staatsanwalt am Oberlandgericht

G C Dm<sup>7</sup> Am

und sie redet sich in Rage und sie zieht über mich her

C F G C

doch die Art, wie sie dann plötzlich wieder lacht die mag ich sehr

Wenn sie so tut, als wäre ich der größte Bösewicht,  
das mag ich nicht

da hilft dann manchmal gar nichts mehr, sie macht die Läden dicht  
ich mag es nicht, wenn sie so tut, als ob ich 16 wär

Die Art wie sie mir Küsse gibt, die mag ich umso mehr.

Und wie sie manchmal über meine beste Freunde spricht,  
gefällt mir nicht

alle sind sie Lumpen, nur auf Abenteuer erpicht  
da wird aus einer Mücke im Nu ein Elefant  
sie und ihre Freundinnen die tratschen allerhand.

Und wenn sie stöhnt, als wär das Leben eine saure Pflicht,  
das mag ich nicht.

Da kriegt die kleinste Kleinigkeit ein riesiges Gewicht  
ich trüg sie ja auf Händen, aber sie macht sich so schwer  
um so lieber zu mir ist sie meistens hinterher.

Ich zerbreche mir den Kopf  
ich werd einfach nicht schlau aus dieser Frau  
wenn sie weg ist fehlt sie mir, und das weiß ich genau.  
Ich komme nicht dahinter, vielleicht bin ich zu blöd  
doch hör ich immer öfter dass es anderen ähnlich geht.

Nicht füttern stand auf einem großen Schild,  
und bitte auch nicht reizen, da sehr wild.  
Erwachsene und Kinder schauten dumm,  
und nur ein Wärter schaute grimmig und sehr stumm.  
und nur ein Wärter schaute grimmig und sehr stumm.

Ich fragte ihn: Wie heißt denn dieses Tier?  
Das ist die Freiheit, sagte er zu mir.  
Die gibt es jetzt so selten auf der Welt.  
D'rumm wird sie hier für wenig Geld zur Schau gestellt.  
D'rumm wird sie hier für wenig Geld zur Schau gestellt.

Ich schaute und ich sagte: Lieber Herr,  
ich sehe nichts, der Käfig ist doch leer.  
Das ist ja grade, sagte er, der Gag,  
Man sperrt sie ein und augenblicklich ist sie weg.  
Man sperrt sie ein und augenblicklich ist sie weg.

Die Freiheit ist ein wundersames Tier,  
und manche Menschen haben Angst vor ihr.  
Doch hinter Gitterstäben geht sie ein.  
Denn nur in Freiheit kann die Freiheit Freiheit sein.  
Denn nur in Freiheit kann die Freiheit Freiheit sein.

Through the woodland through the valley comes a horseman wild and free

C G D G  
Tilting at the windmills passing who can the brave young horseman be

C G D G  
He is wild but he is mellow, he is strong but he is weak

C G D G G  
He is cruel but he is gentle, he is wise but he is meek

D C G  
Reaching for his saddlebags he takes a battered book into his hand

D C G  
Standing like prophet bold he shouts across the ocean to the shore

D  
Till he can shout no more

I have come o'er moor and mountain like a hawk upon the wing  
I was once a shining knight who was the guardian of a king  
I have searched the whole world over, looking for a place to sleep  
I have seen the strong survive and I have seen the lean grow weak

Riff

See the children of the earth who wake to find the table bare  
See the gentry in the country riding off to take the air

Reaching for his saddlebags he takes a rusty sword into his hand  
Then striking up a knightly pose he shouts across the ocean to the shore  
Till he can shout no more

See the jailer with his key who locks away all trace of sin  
See the judge upon the bench who tries the case as best he can  
See the wise and wicked ones who feed upon life's sacred fire  
See the soldier with his gun who must be dead to be admired

Riff

See the man who tips the needle, see the man who buys and sells  
See the one who puts the collar on the ones who dare not tell  
See the drunkard in the tavern stemming gold to make ends meet  
See the youth in ghetto black condemned to life upon the street

Reaching for his saddlebags he takes a tarnished cross into his hand  
Then standing like a preacher now he shouts across the ocean to the shore  
Then in a blaze of tangled hooves he gallops off across the dusty plain

D C

In vain to search again, where no one will hear (*pause*)

Through the woodland through the valley comes a horseman wild and free  
Tilting at the windmills passing who can the brave young horseman be  
He is wild but he is mellow, he is strong but he is weak  
He is cruel but he is gentle, he is wise but he is meek

A light I never knowed

It ain't no use in turnin' on your light, babe

I'm on the dark side of the road

Still I wish there were something you would do or say

To try and make me change my mind and stay

We never did too much talkin' anyway

So don't think twice, it's alright.

It ain't no use in callin' out my name, gal

Like you never done before

It ain't no use in callin' out my name, gal

I can't hear you anymore

I'm a-thinkin' and a-wonderin' all the way down the road

I once loved a woman, a child I am told

I'd give her my heart but she wanted my soul

But don't think twice, it's alright.

I'm walkin' down that long lonesome road, babe

Where I'm bound, I can't tell

Goodbye is too good a word, gal

So I'll just say, fare thee well.

I'm not sayin' you treated me unkind

You could have done better but I don't mind

You just kinda wasted my precious time

But don't think twice, it's alright.

# Don't worry be happy

**G**

Here's a little song I wrote

**Am**

You might want to sing it note for note

**C            G**

Don't worry be happy

In every life we have some trouble

When you worry you make it double

Don't worry be happy

Don't worry be happy, don't worry be happy

Don't worry be happy, don't worry be happy

Ain't got no place to lay your head

Somebody came and took your bed

Don't worry be happy

Your landlord say your rent is late

He may have to litigate

Don't worry be happy

Don't worry be happy, don't worry be happy

Don't worry be happy, don't worry be happy

Ain't got no cash ain't got no style

Ain't got no girl to make you smile

Don't worry be happy

Cause when you worry your face will frown

And that will bring everybody down

So Don't worry be happy

Don't worry be happy, don't worry be happy (4)

Seht, wie sie über's große Weltmeer zieh'n

Sie zieh'n dahin auf blauen Meeresswogen

Warum verlassen sie ihr Heimatland

Man hat sie um ihr Leben schwer betrogen

Die Armut trieb sie aus dem eig'nen Land

Schauet auf, ihr Unterdrücker

Blicket auf, ihr Volksbetrüger

Seht eure besten Arbeitskräfte flieh'n

Seht, wie sie übers große Weltmeer zieh'n

Sie zieh'n dahin, wer wagt sie noch zu fragen

Warum verlassen sie ihr Heimatland

O armes Deutschland, wie kannst du es ertragen

Dass deine Brüder werden so verbannt

Was sie hofften hier zu gründen

Suchen sie dort drüben zu finden

D'rüm zieh'n sie von deutschem Boden ab

Und finden in Amerika ihr Grab

# Es gibt keine Maikäfer mehr

C G<sup>7</sup> Am D<sup>7</sup> G

Wenn ich vor dem neuen Parkhaus stehe, denk' ich manchmal dran,

C F Dm G

Wie das früher hier mal aussah, eh' der große Bau begann:

C G<sup>7</sup> Am D<sup>7</sup> G

Da, gleich an der Einfahrt, an der Kasse, da war Schlüters Haus,

C F Dm G

Und gleich dort, neben der Schranke, da wohnte die alte Kraus.

Em A<sup>7</sup>

Bei der stieg ich regelmäßig jedes Frühjahr über'n Zaun,

Dm G

Und genauso regelmäßig wurde ich dafür verhau'n.

C G<sup>7</sup> Am D<sup>7</sup> G

In den Garten wagten sich die Nachbarskinder nicht und so

C F Dm G

Gab's darin zur Maikäferzeit viel mehr als sonst anderswo.

C G<sup>7</sup> Am D<sup>7</sup> G

Ich seh' mich noch heute loszieh'n, mit dem großen Schuhkarton,

C F Dm G

Mit den Luflöchern im Deckel zu mancher Expedition;

Em A<sup>7</sup>

Und ich rüttelte an Bäumen, und ich wühlte auch im Moos,

Dm G

Die Erfolge waren prächtig, und mein Trickreichtum war groß.

Em Am

Würd ich heut noch einmal loszieh'n,

Em A<sup>7</sup>

Blieb mein Schuhkarton wohl leer;

Dm G<sup>7</sup> Em Am

Selbst ein guter Käferjäger brächte keinen Schornsteinfeger

Dm G<sup>7</sup> C C<sup>7</sup>

Keinen Müller, erst recht keinen Kaiser her:

F G<sup>7</sup> Em F C G<sup>7</sup> C

Es gibt keine Maikäfer mehr, es gibt keine Maikäfer mehr.

C G<sup>7</sup> Am D<sup>7</sup> G

Hin und wieder sah der alte Schlüter meine Beute an.

C F Dm G

Er war Maikäferexperte und erinnerte sich dran,

C G<sup>7</sup> Am D<sup>7</sup> G

Dass die Käfer damals eine Plage war'n, und das sogar

C F Dm G

Dem, der die meisten einfing, eine Prämie sicher war,

Em A<sup>7</sup>

Dass die Kinder schulfrei kriegten für den Maienkäferfang,

Dm G

Und er sagte, dass ihm damals mancher schöne Coup gelang.

C G<sup>7</sup> Am D<sup>7</sup> G

Und die Zahlen, die er nannte, die beeindruckten mich tief,

C F Dm G

So dass ich mit meiner Beute fast beschäm't nach Hause lief.

C G<sup>7</sup> Am D<sup>7</sup> G

Wenn ich heut' noch einmal halb so viel wie damals fangen könnt',

C F Dm G

Würd' ich wohl zum König aller Maikäfersucher gekrönt.

Em A<sup>7</sup>

Nicht, dass ich vergessen hätte, wie und wo man welche fängt,

Dm G

Oder aus dem Alter raus bin, wo es einen dazu drängt.

Nein würd' ich noch einmal loszieh'n, ...

C G<sup>7</sup> Am D<sup>7</sup> G

Es gibt wichtigere Dinge, aber ich schreibe trotzdem

C F Dm G

Auf ein Birkenblatt die Noten für ein Käferrequiem.

C G<sup>7</sup> Am D<sup>7</sup> G

Es gibt sicher ein Problem, dessen Erforschung sich mehr lohnt,

C F Dm G

Als, warum denn heut' im Parkhaus wohl kein Maikäfer mehr wohnt.

Em A<sup>7</sup>

Warum kriecht im Eichbaum, der davorsteht, keiner im Geäst?

Dm G

Wenn mir diese Frage einfach keine Ruhe lässt,

C G<sup>7</sup> Am D<sup>7</sup> G

Dann vielleicht, weil ich von ihnen einst gelernt hab', wie man summt,

C F Dm G

Wie man kratzt und wie man krabbelt, wie man zählt und wie man brummt,

C G<sup>7</sup> Am D<sup>7</sup> G

Wie man seine Fühler ausstreckt und natürlich weil ich find',

C F Dm G

Dass sie irgendwie entfernte Namensvettern von mir sind.

Em A<sup>7</sup>

Vielleicht ängstigt mich ihr Fortgeh'n, denn vielleicht schließ ich daraus,

Dm G

Vielleicht geh'n uns nur die Maikäfer ein kleines Stück voraus.

Denn würd' ich noch einmal loszieh'n, ...

# Es gibt Tage da wünscht ich, ich wär` ...

I'm stuck at Folsom Prison and time keeps draggin' on.

H<sup>7</sup>

But that train keeps a-rollin' on down to San Antone.

When I was just a baby, my momma told me, "Son,

Always be a good boy; don't ever play with guns."

But I shot a man in Reno, just to watch him die.

When I hear that whistle blowin', I hang my head and cry.

I bet there's rich folk eatin'in a fancy dining car.

They're prob'ly drinkin' coffee and smokin' big cigars,

But I know I had it comin', I know I can't be free,

But those people keep a-movin', and that's what tortures me.

Well if they freed me from this prison, if that railroad train was mine,

I bet I'd move it all a little farther down the line,

Far from Folsom Prison, that's where I want to stay,

And I'd let that lonesome whistle blow my blues away.

**Am (Em)**

durch das abendlich, nach warmen Kühen duftende Dorf.

Dicke Mütter zieh'n die Bengels zeternd hinter schnell geschlossene Tür'n,

**G (D)**

stoßen liebevoll den Kleinen zum Wassereimer hin

**F (C)**

das Lachen muss ihm dort vergehn',

**E (H7)**

er sieht seinen Strullermann im Wasser steh'n

**Am (Em)**

und denkt an Gerda.

**Am (Em)**

Durch die Stube drängt ein warmer Duft  
von Großmutter und Schmalz und Wurst,

**E<sup>7</sup> (H7)**

der Vater stinkt und lacht und kneift die Frau.

Der Kleine läuft zum Vater hin, ein Kuss mit Bier und Bart und viel Gefühl,

**Am (Em)**

die Mutter streicht ihm zärtlich durch das Haar.

Sie trägt ihn lachend in sein Bett, sie küsst ihn, löscht das Licht und schließt die Tür.

**G (D)**

Er wartet, bleibt ganz still und steht dann auf,

**F (C)**

geht zum Fenster und macht es auf,

**E (H7)**

sieht den Marktplatz und die Nacht und spürt den Wind

**Am (Em)**

und sieht Gerda.

**Am (Em)   E (H7)   Am (Em)**

Tanze, Gerda, tanze,  
**E (H7)   Am (Em)**

tanz die ganze Nacht,

**F (C)   G (D)   C (G)**

Du brauchst sie nicht zu fürchten,

**F (C)   G (D)   C (G)**

wir geben schon drauf Acht.

**E (H7)   Am (Em)   E (H7)   Am (Em)**

Dass nicht die Alten kommen,

**E (H7)   Am (Em)**

tanze, Gerda, tanz.

**Am** (Em)

Im Einhorn fängt die Nacht erst an,  
da sitzen Melker neben manchen andern,

**E<sup>7</sup>** (H7)

da steigt die Lotti, wenn sie voll ist, auf den Tisch,

da krachen Stühle wenn die Männer viel von schweren Wein getrunken haben

**Am** (Em)

und klatschen brüllend mit wenn Lotti sich vergisst.

Dann steht der Buckel auf und sagt, ist Zeit, die anderen gehen automatisch mit,

**G** (D)

sie ziehen geschlossen Arm in Arm nach draußen auf den Platz,

**F** (C)

atmen gierig Wind und ihren Fusel ein

**E** (H7)

und die Lotti säuselt immer kräftig mit

**Am** (Em)

und seh'n auf Gerda.

**Am** (Em)    **E** (H7)    **Am** (Em)

Tanze,    Gerda,    tanze,  
**E** (H7)    **Am** (Em)

tanz die ganze Nacht,

**F** (C)    **G** (D)    **C** (G)

Du brauchst sie nicht zu fürchten,

**F** (C)    **G** (D)    **C** (G)

**E** (H7)    **Am** (Em)    **E** (H7)    **Am** (Em)

Dass nicht die Alten kommen,

**E** (H7)    **Am** (Em)

tanze,    Gerda,    tanz.

Jetzt ist Nacht, erst richtig Nacht  
und der Marktplatz tobt und kracht

**E<sup>7</sup>** (H7)

und die Gören an den Fenstern brüllen mit.

Der Buckel sitzt auf einem Fass, die Lotti hängt an seinem Arm

**Am** (Em)

und beide starren auf die Mitte von dem Platz

wo der Sohn des Melkers tanzt, in seinen Haaren krallt sich Gerda

**G** (D)

und beide jagen aus der Menge jetzt heraus,

**F** (C)

sie verschwinden im Dunkel der Nacht

**E** (H7)

und die Menge singt und lacht

**Am** (Em)

und wir wie Gerda.

**Am** (Em)    **E** (H7)    **Am** (Em)

Tanze, Gerda, tanze, .....

# Girl from the North Country

**G G/c G G/c G G/c**

**Em<sup>9</sup> D<sup>7/F#</sup> G G/c G**

If you're travelin' the north country fair,

**Em<sup>9</sup> D<sup>7/F#</sup> G G/c G**

Where the winds hit heavy on the borderline,

**Em C G G/c G**

Remember me to one who lives there.

**Em<sup>9</sup> D<sup>7/F#</sup> G**

She once was a true love of mine.

Well, if you go when the snowflakes storm,  
When the rivers freeze and summer ends,  
Please see 'she's has a coat so warm,  
To keep her from the howlin' winds.

Please see if her hair hangs long,  
If it rolls and flows all down her breast.  
Please see for me if her hair is hanging long,  
For that's the way I remember her best.

I'm a-wonderin' if she remembers me at all.  
Many times I've often prayed  
In the darkness of my night,  
In the brightness of my day.

So if you're travelin' the north country fair,  
Where the winds hit heavy on the borderline,  
Remember me to one who lives there.  
She once was a true love of mine.

## ***Refrain***

Hab Dank für die Zeit,  
die ich mit euch verplaudert hab,  
und für eure Geduld,  
wenn's mehr als eine Meinung gab.  
Dafür, dass ihr nie fragtet,  
wann ich komm oder geh,  
für die stets offene Tür,  
in der ich jetzt steh.

## ***Refrain***

Für die Freiheit, die als steter Gast bei euch wohnt,  
habt Dank dass ihr nie fragt, was es bringt und was es lohnt.  
Vielleicht liegt es daran, dass man von draußen meint,  
dass in euren Zimmern das Licht wärmer scheint

F Am F C G C G

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Your faith was strong but you needed proof

You saw her bathing on the roof

Her beauty and the moonlight overthrew ya

She tied you to a kitchen chair

She broke your throne, and she cut your hair

And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Maybe I've been here before

I know this room I've walked this floor

I used to live alone before I knew you

I've seen your flag on the marble arch

But Love is not a victory march

It's a cold and it's a broken hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

There was a time you let me know

What's real and going on below

But now you never show it to me do you?

I remember when I moved in you

The holy dark was moving too

And every breath we drew was hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

It's not someone who's seen the light

It's a cold and it's a broken hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

You say I took the name in vain

But I don't even know the name

But if I did, well really, what's it to ya?

There's a blaze of light in every word

It doesn't matter which you heard

The holy or the broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

I did my best, it wasn't much

I couldn't feel, so I tried to touch

I've told the truth, I didn't come to fool ya

And even though it all went wrong

I'll stand before the Lord of Song

With nothing on my tongue but Hallelujah

I've been robbed and ridiculed  
In day care centers and night schools;

(Guitar Solo)

Been stuck in airports, terrorized,  
sent to meetings, hypnotized  
Overexposed, commercialized;  
handle me with care

I'm so tired of being lonely,  
I still have some love to give  
Won't you show me that you really care

Everybody's, got somebody, to lean on  
Put your body, next to mine, and dream on

I've been uptight and made a mess,  
but I'll clean it up myself, I guess  
Oh, the sweet smell of success;  
handle me with care

# Hard Rain

Oh, where have you been, my blue eyed son?  
Oh, where have you been, my darling young one?  
I've stumbled on the side of twelve misty mountains  
I've walked and I've crawled on six crooked highways  
I've stepped in the middle of seven sad forests  
I've been out in front of a dozen dead oceans  
I've been ten thousand miles in the mouth of a graveyard  
And it's a hard, and it's a hard, it's a hard, and it's a hard  
And it's a hard rain's a gonna fall

Oh, what did you see, my blue eyed son?  
Oh, what did you see, my darling young one?  
I saw a newborn baby with wild wolves all around it  
I saw a highway of diamonds with nobody on it  
I saw a black branch with blood that kept drippin'  
I saw a room full of men with their hammers a bleedin'  
I saw a white ladder all covered with water  
I saw ten thousand talkers whose tongues were all broken  
I saw guns and sharp swords in the hands of young children  
And it's a hard, and it's a hard, it's a hard, it's a hard  
And it's a hard rain's a gonna fall

And what did you hear, my blue eyed son?  
And what did you hear, my darling young one?  
I heard the sound of a thunder, it roared out a warnin'  
Heard the roar of a wave that could drown the whole world  
Heard one hundred drummers whose hands were a blazin'  
Heard ten thousand whisperin' and nobody listenin'  
Heard one person starve, I heard many people laughin'  
Heard the song of a poet who died in the gutter  
Heard the sound of a clown who cried in the alley  
And it's a hard, and it's a hard, it's a hard, it's a hard  
And it's a hard rain's a gonna fall

Oh, who did you meet, my blue eyed son?  
Who did you meet, my darling young one?  
I met a young child beside a dead pony  
I met a white man who walked a black dog  
I met a young woman whose body was burning  
I met a young girl, she gave me a rainbow  
I met one man who was wounded in love  
I met another man who was wounded with hatred  
And it's a hard, it's a hard, it's a hard, it's a hard  
It's a hard rain's a gonna fall

Oh, what'll you do now, my blue eyed son?  
Oh, what'll you do now, my darling young one?  
I'm a goin' back out 'fore the rain starts a fallin'  
I'll walk to the depths of the deepest black forest  
Where the people are many and their hands are all empty  
Where the pellets of poison are flooding their waters  
Where the home in the valley meets the damp dirty prison  
Where the executioner's face is always well hidden  
Where hunger is ugly, where souls are forgotten  
Where black is the color, where none is the number  
And I'll tell it and think it and speak it and breathe it  
And reflect it from the mountain so all souls can see it  
Then I'll stand on the ocean until I start sinkin'  
But I'll know my song well before I start singin'  
And it's a hard, it's a hard, it's a hard, it's a hard  
It's a hard rain's a gonna fall

# Hey there Delilah

C Em  
Hey there Delilah, What's it like in New York City?  
C Em  
I'm a thousand miles away, But girl tonight you look so pretty,  
Am G F G Am G  
Yes you do, Time Square can't shine as bright as you, I swear it's true.  
C Em  
Hey there Delilah, Don't you worry about the distance,  
C Em  
I'm right there if you get lonely, Give this song another listen,  
Am G F G Am G  
Close your eyes, Listen to my voice it's my disguise, I'm by your side.

C Am C Am  
Oh it's what you do to me, Oh it's what you do to me,  
C Am C Am C  
Oh it's what you do to me, Oh it's what you do to me, What you do to me.

Hey there Delilah, I know times are getting hard,  
But just believe me girl some day, I'll pay the bills with this guitar,  
We'll have it good, We'll have the life we knew we would, My word is good.  
Hey there Delilah, I've got so much left to say,  
If every simple song I wrote to you, Would take your breath away,  
I'd write it all, Even more in love with me you'd fall, We'd have it all.

Oh it's what you do to me, Oh it's what you do to me,  
Oh it's what you do to me, Oh it's what you do to me, What you do to me.

F G  
A thousand miles seems pretty far, But they've got planes, trains and cars,  
C Am  
I'd walk to you if I had no other way.  
F G  
Our friends would all make fun of us, And we'll just laugh along because,  
C Am  
We know that none of them have felt this way,  
F G  
Delilah I can promise you, That by the time that we get through,  
C Am G  
The world will never ever be the same ..... And you're to blame!

Hey there Delilah you be good, And don't you miss me,  
Two more years and you'll be done with school, And I'll be making history,  
Like I do, You'll know it's all because of you,  
We can do whatever we want to  
Hey there Delilah here's to you, This one's for you.

Oh it's what you do to me, Oh it's what you do to me,  
Oh it's what you do to me, Oh it's what you do to me, What you do to me.

**Em**

**D<sup>6/9</sup>**

On the first part of the journey  
I was lookin at all the life  
There were plants and birds and rocks and things  
There were sand and hills and rings

The first thing I met was a fly with a buzz  
and the sky with no clouds  
the heat was hot and the ground was dry  
but the air was full of sound

Refrain:

**Em<sup>9</sup>**

**Dmaj<sup>9</sup>**

I've been through the desert on a horse with no name  
it felt good to be out of the rain  
in the desert you can remember your name  
'cause there ain't no one for to give you no pain  
la la la la lalala la la la la la

After two days in the desert sun  
my skin began to turn red  
After three days in the desert fun  
I was looking at a river bed  
And the story it told of a river that flowed  
made me sad to think it was dead

Refrain:

After nine days I let the horse run free  
'cause the desert had turned to sea  
there were plants and birds and rocks and things  
there were sand and hills and rings  
The ocean is a desert with it's life underground  
and the perfect disguise above  
Under the cities lies a heart made of ground  
but the humans will give no love

# Hotel California

Bm F#  
On a dark desert highway, cool wind in my hair  
A E  
Warm smell of colitas, rising through the air  
G D  
Up ahead in the distance, I saw a shimering light  
Em F#  
My head grew heavy and my sight grew dim, I had to stop for the night  
Bm F#  
There she stood in the doorway, I heard the mission bell  
A E  
And I was thinking to myself: this could be heaven or this could be hell  
G D  
Then she lit up a candle and she showed me the way  
Em F#  
There were voices down the corridor; I thought I heard them say:  
  
G D  
Welcome to the Hotel California  
F# Bm  
Such a lovely place (such a lovely place), such a lovely face  
G D  
Plenty of room at the Hotel California  
Em F#  
Any time of year (any time of year), you can find it here"

Her mind is Tiffany twisted, she got the Mercedes Benz  
She got a lot of pretty, pretty boys, that she calls friends  
How they dance in the courtyard, sweet summer sweat  
Some dance to remember, some dance to forget

So I called up the captain, "Please bring me my wine", He said  
"We haven't had that spirit here since nineteen sixty-nine"  
And still those voices are calling from far away  
Wake you up in the middle of the night, just to hear them say:

"Welcome to the Hotel California  
Such a lovely place (such a lovely place), such a lovely face  
They livin' it up at the Hotel California  
What a nice surprise (what a nice surprise), bring your alibis"

Mirrors on the ceiling, the pink champagne on ice, and she said  
"We are all just prisoners here, of our own device"  
And in the master's chambers, they gathered for the feast  
They stab it with their steely knives but they just can't kill the beast

Last thing I remember, I was running for the door  
I had to find the passage back to the place I was before  
"Relax," said the night man, "We are programmed to receive  
You can check out any time you like, but you can never leave"

# House Of The Rising Sun

**Am C D F**

There is a house in New Orleans,

**Am C E<sup>7</sup>**

They call the "Rising Sun",

**Am C D F**

It's been the ruin of many a poor girl, (boys?)

**Am E Am E<sup>7</sup>**

And God, I know, I'm one.

My mother was a tailor,  
She sewed those new blue jeans,  
my husband he's a gambling man,  
(drinks) down in New Orleans.

My husband in a gambler,  
He goes from town to town,  
The only time, he's satisfied, is when  
He drinks his liquor down.

Oh, mother, tell your children  
Not to do what I have done -  
Spend your lives in sin and misery  
In the House of Rising Sun

One foot on the platform,  
The other's on the train,  
I'm going back to New Orleans,  
to wear that ball and chain.

Going back to New Orleans,  
My race is almost run,  
I'm going to spend the rest of my life,  
Beneath that "Rising Sun".

Ich denke Mensch das darf nicht wahr sein,  
als ging es um das nackte Dasein.  
So rennen die - und ich hab Langeweile.

Ich träum von Düften unter Linden,  
schönen Mädchen süßen Sünden,  
fremden Stätten - Inseln in der Südsee.  
Plätzchen wo es immer warm ist,  
wo jeder reich und keiner arm ist,  
Dann merk ich es wird Zeit dass ich jetzt aufsteh.

In diesem Land da schuftet jeder,  
wie ein Esel wie ein Blöder.  
Überstunden machen das ist richtig.  
Vetternwirtschaft protegieren,  
und an der richtigen Stelle schmieren.  
Nur ja Karriere machen das ist richtig

Jeden Tag zur gleichen Stunde,  
dreht mein Nachbar eine Runde.  
Er und sein Hund vertreten sich die Beine.  
Jeden Tag das gleiche Bellen,  
da kannst' de deine Uhr nach stellen.  
Du fragst dich - wer hat wen hier an der Leine

Vor der Che madame Boutique  
stehen ein paar Typen und machen Musik.  
Da will ich hin - die Jungs muss ich hören.  
Eine Menge Leute steht dabei,  
doch auf einmal kommt die Polizei,  
und erzählt - es würde Ruh und Ordnung stören.

Raus die Hippies raus die Roten,  
Straßenmusik wird verboten.  
Was lasst ihr Magistrate denn noch übrig.  
Lauter streben alle gleich,  
Magenkrank und ziemlich bleich,  
vor Arbeitseifer immer etwas fiebrig.

So werd ich wach weil's draußen dämmert,  
weil nebenan ein Radio hämmert.

## HYMN

### D / G

Valley's deep and the mountains so high,  
if you want to see God you've got to move on the other side.  
You stand up there with your head in the clouds,  
don't try to fly you know you might not come down.  
Don't try to fly near God, you might not come down.

Jesus came down from Heaven to earth  
The People said it was a virgin birth  
Jesus came down from Heaven to earth  
The People said it was a virgin birth  
The People said it was a virgin birth

He told great stories of the Lord  
And said he was the saviour of us all  
He told great stories of the Lord  
And said he was the saviour of us all  
And said he was the saviour of us all

For this we killed him,  
nailed him up high  
He rose again as if to ask us why  
Then he ascended into the sky  
As if to say in God alone you soar  
As if to say in God alone we fly.

Valley's deep and the mountains so high,  
if you want to see God you've got to move on the other side.  
You stand up there with your head in the clouds,  
don't try to fly you know you might not come down.  
Don't try to fly near God, you might not come down.

Valley's deep and the mountains so high,  
if you want to see God you've got to move on the other side.  
You stand up there with your head in the clouds,  
don't try to fly you know you might not come down.  
Don't try to fly near God, you might not come down.

# I Want You

(CAPO 5)

**C**  
The guilty undertaker sighs,  
**Em**  
The lonesome organ grinder cries,  
**Am**                   **G**  
The silver saxophones say I should refuse you.  
**F**  
The cracked bells and washed-out horns  
**G**  
Blow into my face with scorn,  
**Am**  
But it's not that way,  
**G**  
I wasn't born to lose you.  
**C**      **Em**  
I want you, I want you,  
**Am**      **G**  
I want you so bad,  
**C**  
Honey, I want you.

**C**  
The drunken politician leaps  
**Em**  
Upon the street where mothers weep  
**Am**  
And the saviors who are fast asleep,  
**G**  
They wait for you.  
**F**  
And I wait for them to interrupt  
**G**  
Me drinkin' from that broken cup  
**Am**  
And ask me to  
**G**  
Open up the gate for you.  
**C**      **Em**  
I want you, I want you,

I want you so bad,

Now all my fathers, they've gone down,  
**Am**  
True love they've been without it.  
**Em**  
But all their daughters put me down  
**F**      **G**  
'Cause I don't think about it.

**C**  
Well, I return to the Queen of Spades  
**Em**  
And talk with my chambermaid.

She knows that I'm not afraid

To look at her  
**F**  
She is good to me  
**G**  
And there's nothing she doesn't see.

But it doesn't matter.  
**C**      **Em**  
I want you, I want you,  
**Am**      **G**  
I want you so bad  
**C**  
Honey, I want you.

**C**  
Now your dancing child with his Chinese suit,

He spoke to me, I took his flute.  
**Am**  
No, I wasn't very cute to him,  
**G**  
Was I?  
**F**  
But I did it, though, because he lied  
**G**  
Because he took you for a ride  
**Am**  
And because tine was on his side  
**G**  
And because I...

I want you, I want you,

As well as strong

Use my head alongside my heart

That tethered mind free from the lies

And I'll kneel down

And I'll kneel down

# Io E Bobby Mc Gee

Solitudini che si incontrano  
in un bosco di pensieri  
e si toccano si scambiano il domani  
salendo sopra i rami il mondo sembra aprirsi  
e qualche cosa semrpe c'è da dirsi  
racconta la tua storia racconterò la mia  
le stesse strade per andare via  
racconta la tua storia racconterò la mia  
le stesse strade per andare via

bobby stringe le mie mani  
se mi sento giù  
e niente e niente chiederò di più  
e credo a tutti i miei domani  
per un solo ieri  
l'ho visto per la prima volta qui  
ma lo conosco da sempre Bobby Mc Gee

Dall'odore dei campi al risveglio della terra  
il vento è una carezza nel respiro  
è come il primo sogno di chi ha smesso di soffrire  
e finalmente in pace può impazzire  
quel giorno che ho incontrato Bobby  
divise i miei pensieri  
mi disse dormi qui senza problemi  
e fu la prima volta che io mi addormentai  
e accanto a una persona mi svegliai

Bobby stringe le mie mani  
se mi sento giù  
e niente e niente chiederò di più  
e credo a tutti i miei domani

Die Gedanken dreh'n si um

Und du spielst di mit an Stein  
Es is so anders als daheim

Und irgendwann bleib i dann dort  
Lass' alles lieg'n und steh'n  
Geh' von daheim für immer fort  
Darauf geb' i dir mei Wort  
Wieviel Jahr' a noch vergeh'n

Dreht si' alles nur um Macht und Geld  
Finanzamt und Banken steig'n mir drauf  
Die Rechnung, die geht sowieso nie auf  
Und irgendwann fragst di'  
Wiese quäl i mich da so schrecklich ab  
Und bin net längst schon weiß Gott wo

Aber noch is' net so weit  
Noch was zu tun befiehlt die Eitelkeit  
Doch bevor der Herzinfarkt  
Mich mit vierzig in die Windeln prackt  
Lieg i schon irgendwo am Strand  
A Bottle Rotwein in der Hand  
Und steck die Fuß in' weißen Sand

Und irgendwann bleib i ...

And it's all over now, Baby Blue.

All your seasick sailors, they are rowing home.

All your reindeer armies, are all going home.

The lover who just walked out your door

Has taken all his blankets from the floor.

The carpet, too, is moving under you

And it's all over now, Baby Blue.

Leave your stepping stones behind, something calls for you.

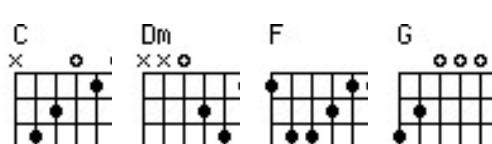

Forget the dead you've left, they will not follow you.

The vagabond who's rapping at your door

Is standing in the clothes that you once wore.

Strike another match, go start anew

And it's all over now, Baby Blue

so jagt ihn doch fort!“

Sein Haar in Strähnen und wirre, sein Gang war gebeugt.  
„Kein Zweifel, dieser Irre ward vom Teufel gezeugt.“  
Der Pfarrer reichte ihm einen Krug  
voll Milch, er sog in einem Zug.  
„Er trinkt nicht vom Geschirre, den hat die Wölfin gesäugt!“

Mein Vater, der in unserem Orte der Schulmeister war,  
Trat vor ihm hin, trotz böser Worte rings aus der Schar;  
Er sprach zu ihm ganz ruhig und  
Der Stumme öffnete den Mund  
Und stammelte die Worte: „Heiße Kaspar.“

Mein Vater brachte ihn ins Haus, „heiße Kaspar.“  
Meine Mutter wusch ihm die Kleider aus und schnitt ihm das Haar.  
Sprechen lehrte mein Vater ihn,  
Lesen und schreiben, und es schien,  
Was man ihn lehrte, sog er in sich auf, wie gierig er war!

Zur Schule gehörte derzeit noch das Üttinger Feld.  
Kaspar und ich pflügen zu zweit, bald war alles bestellt;  
Wir hegten, pflegten jeden Keim,  
Brachten im Herbst die Ernte ein,  
Von den Leuten vermaledeit, von deren Hunden verbellt.

Ein Wintertag, der Schnee war frisch, es war Januar.  
Meine Mutter rief uns: „Kommt zu Tisch, das Essen ist gar!“  
Main Vater sagte: „... Appetit“,  
Ich wartete auf Kaspars Schritt,  
Mein Vater fragte mürrisch: „Wo bleibt Kaspar?“

Wir suchten und wir fanden ihn auf dem Pfad bei dem Feld.  
Der Neuschnee wehte über ihn, sein Gesicht war entstellt,  
Die Augen angstvoll aufgerissen,  
Sein Hemd war blutig und zerrissen.  
Erstochen hatten sie ihn, dort am Üttinger Feld!

Der Polizeirat aus der Stadt füllte ein Formular.  
„Gott nehm‘ ihn hin in seiner Gnad“, sagte der Herr Vikar.  
Das Üttinger Feld liegt lang schon brach,  
Nur manchmal bell’n mir noch die Hunde nach,  
Dann streu ich ein paar Blumen auf das Feld, für Kaspar.

And the sun went down,

I'm learning to fly,  
but I aint got wings.  
coming down,  
is the hardest thing.

Well the "Good old days"  
May not return.  
And the rocks might melt,  
and the sea may burn.

Well some say life,  
will beat you down.  
Break your heart,

So start it out,

when I get there.

I'm learning to fly,  
Around the clouds,  
What goes up,  
Must come down.

And they wither with the wind

And they crumble in your hand.

I threw a pebble in a brook

And watched the ripples run away

And they never made a sound

And the leaves that are green turn to brown

And they wither with the wind

And they crumble in your hand.

Hello, hello, hello, hello

Goodbye, goodbye, goodbye, goodbye

That's all there is

And the leaves that are green turn to brown.

sagt man, weiße Nebel, wunderbar.

## Refrain

Komm, mein Lieb, wir lassen uns den Fluss hinuntertreiben,  
legen alles ab, was uns beengt.

Was für eine Fahrt! Die Erde dampft, die Trommeln schweigen,  
nur noch dieses Wollen, das uns drängt.

## Refrain

Komm, mein Lieb, wir lassen uns den Fluss hinuntertreiben,  
lass uns schrecklich unvernünftig sein,  
und anstatt uns an den Ängsten endlich aufzureiben,  
dringen wir unendlich in uns ein.

The cloak and dagger dangles

Madams light the candles

In ceremonies of the horsemen

Even the pawn must hold a grudge

Statues made of matchsticks

Crumble into one another

My love winks she does not bother

She knows too much to argue or to judge

The bridge at midnight trembles

The country doctor rambles

Bankers' nieces seek perfection

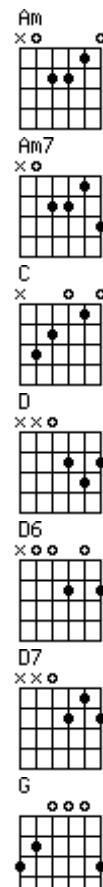

Expecting all the gifts that wise men bring

The wind howls like a hammer

The night wind blows cold n' rainy

My love, she's like some raven

At my window with a broken wing

Went to school and I was very nervous

No one knew me – no one knew me

Hello teacher tell me what's my lesson

Look right through me – look right through me

And I find it kinda funny, I find it kinda sad

The dreams in which I'm dying are the best I've ever had

I find it hard to tell you, I find it hard to take

When people run in circles it's a very very

Though you might hear laughing, spinning, swinging madly across the sun,  
It's not aimed at anyone,  
It's just escaping on the run,  
And but for the sky there are no fences facing.  
And if you hear vague traces of skipping reels of rhyme,  
To your tambourine in time.  
It's just a ragged clown behind,  
I wouldn't pay it any mind,  
It's just a shadow you're seeing that he's chasing.

(harmonica)

Then take me disappearin' through the smoke rings of my mind,  
Down the foggy ruins of time, far past the frozen leaves,  
The haunted, frightened trees, out to the windy beach,  
Far from the twisted reach of crazy sorrow.  
Yes, to dance beneath the diamond sky with one hand waving free,  
Silhouetted by the sea, circled by the circus sands,  
With all memory and fate driven deep beneath the waves,  
Let me forget about today until tomorrow.

# North Country Blues

Come and gather round friends and I'll tell you a tale  
Of when the red iron ore pits run a-plenty  
But the cardboard filled windows and old men on the benches  
Tell ya now that the whole town is empty

In the north end of town my own children are grown  
But I was raised on the other  
In the wee hours of youth my mother took sick  
And I was brought up by my brother

The iron ore poured as the years passed the door  
The drag lines and shovels, they was hummin'  
'Til one day my brother failed to come home  
The same as my father before him

With a long winters wait from the window I watched  
My friends, they couldn't have been kinder  
And my school it was cut as I quit in the spring  
To marry John Thomas, a miner

Oh the years passed again and the giving was good  
With a lunch bucket filled every season  
But with three babies born, the work was cut down  
To half a day's shift with no reason

An' the shaft was soon shut and my work was cut  
And the fire in the air, it felt frozen  
'Til a man come to speak and he said in one week  
That number eleven was closing

They complain in the east they payin' to high  
They say that your ore ain't worth diggin'  
That it's much cheaper down in the South American towns  
Where the miners work almost for nothin'

So the minin' gates locked and the red iron rotted  
And the room smelled heavy from drinkin'  
When the sad silent song made the hour twice as long  
As I waited for the sun to go sinking

I lived by the window as he talked to himself  
The silence of tongues, it was building  
'Til one morning's wake, the bed it was bare  
And I's left alone with three children

The summer is gone, the ground's turning cold  
The stores one by one they are folding  
My children will go as soon as they grow  
Well there aint nothing here now to hold them

I sat on a rug biding my time

Drinking her wine

We talked until two and then she said

"It's time for bed"

She told me she worked

In the morning and started to laugh

I told her I didn't

And crawled off to sleep in the bath

And when I awoke I was alone

This bird had flown

So I lit a fire

Isn't it good Norwegian wood?

Chorus

Together they would travel  
on a boat with billowed sails  
Jackie kept his look out perched  
on Puffs gigantic tail.  
Noble kings and princes  
would bow whene'er they came,  
pirate ships would low'r their flags  
when Puff roar out his name.

Chorus

A dragon lives forever  
but not so little boys.  
Painted wings and giant rings  
make place for other toys.  
One grey night it happened  
Jackie Paper come no more,  
and Puff, that mighty dragon,  
he ceases his fearless roar.

Chorus

His head was bend in sorrow,  
green scales fell like rain.  
Puff no longer went to play  
along this cherry land.  
Without his lifelong friends  
Puff could not be brave.  
So Puff, that mighty dragon,  
sadly slipped into his cave.

# The Queen and the Soldier

The soldier came knocking upon the queen's door  
He said, "I am not fighting for you any more"  
The queen knew she'd seen his face someplace before  
And slowly she let him inside.

He said, "I've watched your palace up here on the hill  
And I've wondered who's the woman for whom we all kill  
But I am leaving tomorrow and you can do what you will  
Only first I am asking you why."

Down in the long narrow hall he was led  
Into her rooms with her tapestries red  
And she never once took the crown from her head  
She asked him there to sit down.

He said, "I see you now, and you are so very young  
But I've seen more battles lost than I have battles won  
And I've got this intuition, says it's all for your fun  
And now will you tell me why?"

The young queen, she fixed him with an arrogant eye  
She said, "You won't understand, and you may as well not try"  
But her face was a child's, and he thought she would cry  
But she closed herself up like a fan.

And she said, "I've swallowed a secret burning thread  
It cuts me inside, and often I've bled"  
He laid his hand then on top of her head  
And he bowed her down to the ground.

"Tell me how hungry are you? How weak you must feel  
As you are living here alone, and you are never revealed  
But I won't march again on your battlefield"  
And he took her to the window to see.

And the sun, it was gold, though the sky, it was gray  
And she wanted more than she ever could say  
But she knew how it frightened her, and she turned away  
And would not look at his face again.

And he said, "I want to live as an honest man  
To get all I deserve and to give all I can  
And to love a young woman who I don't understand  
Your highness, your ways are very strange."

But the crown, it had fallen, and she thought she would break  
And she stood there, ashamed of the way her heart ached  
She took him to the doorstep and she asked him to wait  
She would only be a moment inside.

Out in the distance her order was heard  
And the soldier was killed, still waiting for her word  
And while the queen went on strangeling in the solitude she preferred  
The battle continued on

Now somewhere in the black mountain hills of Dakota  
There lived a young boy named Rocky Raccoon  
And one day his woman ran off with another guy  
Hit young Rocky in the eye

Rocky didn't like that  
He said "I'm gonna get that boy"  
So one day he walked into town  
Booked himself a room in the local saloon

Rocky Raccoon checked into his room  
Only to find Gideon's bible  
Rocky had come equipped with a gun  
To shoot off the legs of his rival

His rival it seems had broken his dreams  
By stealing the girl of his fancy  
Her name was Magil and she called herself Lil  
But everyone knew her as Nancy

Now she and her man who called himself Dan  
Were in the next room at the hoe down  
Rocky burst in and grinning a grin  
He said "Danny boy this is a showdown"

But Daniel was hot- he drew first and shot  
And Rocky collapsed in the corner

Ich bin Kellner hier in diesem tollen Schuppen,  
wenn das Licht ausgeht, beginnt 'ne heiße Schau  
Aus der ganzen Welt beziehen wir die Nutten,  
doch die wenigsten davon sind eine Frau.

Von der Sitte kommen jeden Abend Herren,  
falls sich einer von den Gästen mal beschwert,  
doch die Prominenz lässt sich davon nicht stören,  
auch Minister haben hier schon mal verkehrt.

Alle sind bei uns zu jeder Zeit willkommen,  
sogar Gruppenreisen werden arrangiert,  
fühlt sich einer von den Herren leicht benommen,  
wird er sanft in einen Nebenraum geführt.

Heute Nacht zeigt sich vor all den feinen Leuten  
die Moral ganz ungeschminkt, doch völlig nackt  
auf den Brettern die die geile Welt bedeuten,  
zieht sie Gesichter, die man nur zu Hause macht.

Die Bühne frei für Sodom und Gomorrha,  
Graf Porno ist bereit für jeden Ritt,  
Dornröschen fällt vor Abscheu in Sexstasia,  
aber alle klatschen wie die Blöden mit.

Und ich kellner hier, sie kennen mich ja schon,  
doch um 12 bin ich die Spaltenattraktion,  
dann heiß ich Claudia und tanze die Fandango,  
im Salambo.

Wo die Liebe auffällt, hinterlässt sie Spuren,  
denn sie musiziert bestimmt keinen Choral,  
unter all den schönen Strichern und den Huren,  
führen Spießer und Studenten sich normal.

Hier gibt's Zwerge und dressiert Pekinesen,  
schlanke Tänzer steigen in das Lotterbett,  
Ledermänner, Gummidamen, Fabelwesen,  
doch die schlimmsten davon sind aus dem Parkett.

Legionäre kommen von den fernsten Küsten,  
um dabei zu sein bei unserm tollen Fest,  
manche treiben es sogar mit Polizisten,  
und bezahlen noch dafür, dass man sie lässt.

Ich steh' meistens hinterm Vorhang an der Rampe  
und pass auf, dass alle ächzen, knutschen, schrein  
nur benimmt sich einer wie 'ne echte Schlampe,  
dann werd' ich auch privat und hau ihm eine rein.

Die Königin bei uns ist Josefine  
sie ist so etwas wie die Heilige Nacht,  
und jeder starrt ergriffen auf die Bühne,  
wenn der Engel seine Kerzennummer macht.

Und ich kellner hier, sie kennen mich ja schon,  
doch um 12 bin ich die Spaltenattraktion,  
dann heiß ich Claudia und tanze die Fandango,  
im Salambo.

Schlaf mein Kindchen, schlafe ein

**Am              Em              G**

Die Nacht, die schaut zum Fenster rein

Der runde Mond der hat dich gerne

Und es leuchten dir die Sterne

schlaf mein kleines, träume süß

bald bist du im Paradies

Denn gleich öffnet sich die Tür  
und ein Monster kommt zu dir  
mit seinen elf Augen schaut es dich an  
und schleicht sich an dein Bettchen ran  
du liegst still da, bewegst dich nicht  
das Monster zerkratzt dir dein Gesicht

Seine Finger sind lang und dünn  
wehr dich nicht, 's hat keinen Sinn  
und es kichert wie verrückt  
als es deinen Hals zudrückt  
du schreist, doch du bist allein zu Haus  
das Monster sticht dir die Augen aus

Dann bist du still, und das ist gut  
es beißt dir in den Hals und trinkt dein Blut  
ohne Blut bist du bleich wie Kreide  
dann frisst es deine Eingeweide  
dein kleines Bettchen vom Blut ganz rot  
die Sonne geht auf und du bist tot...

Schlaf mein Kindchen, schlaf jetzt ein  
am Himmel stehn die Sternelein  
Schlaf mein Kindchen, schlafe schnell  
Dein Bettchen ist ein Karussell  
Schlaf mein Kindchen, schlaf jetzt ein  
Sonst kann das Monster nicht hinein!

**E (C)**

And watched out for a simple twist of fate

They walked along by the old canal

A little confused, I remember well

And stopped into a strange hotel

with a neon burnin' bright.

He felt the heat of the night

And hit him like a freight train

Moving with a simple twist of fate.

A saxophone someplace far off  
played

As she was walkin' on by the arcade.

As the light bust through a beat-up  
shade

where he was wakin' up,

She dropped a coin into the cup  
of a blind man at the gate

And forgot about a simple twist of  
fate.

He woke up, the room was bare

He didn't see her anywhere.

He told himself he didn't care,  
pushed the window open wide,

Felt an emptiness inside

to which he just could not relate

Brought on by a simple twist of fate.

He hears the ticking of the clocks  
And walks along with a parrot that  
talks,

Hunts her down by the waterfront  
docks

where the sailors all come in.

Maybe she'll pick him out again,  
how long must he wait

One more time for a simple twist of  
fate.

People tell me it's a sin

To know and feel too much within.

I still believe she was my twin,  
but I lost the ring.

She was born in spring,

but I was born too late

Blame it on a simple twist of fate.

Drinking all night

Well I feel so broke up

G C

I want to go home

So hoist up the John B's sail

See how the mainsail sets

Call for the Captain ashore

Let me go home, let me go home

I wanna go home, yeah yeah

Well I feel so broke up

I wanna go home

The first mate he got drunk

And broke in the Cap'n's trunk

The constable had to come and take him away

Sheriff John Stone

Why don't you leave me alone, yeah yeah

Well I feel so broke up I wanna go home

So hoist up the John B's sail

See how the mainsail sets

Call for the Captain ashore

Let me go home, let me go home

I wanna go home, yeah yeah

Well I feel so broke up

I wanna go home

The poor cook he caught the fits

And threw away all my grits

And then he took and he ate up all of my corn

Let me go home

Why don't they let me go home

This is the worst trip I've ever been on

So hoist up the John B's sail

See how the mainsail sets

Call for the Captain ashore

Let me go home, let me go home

I wanna go home, let me go home

Why don't you let me go home

# Sounds of Silence

**Am                      G**

Hello darkness my old friend,

**Am**

I've come to talk with you again.

**C            F            C**

Because a vision softly creeping

**F            C**

Left it's seed while I was sleeping,

**F                              C**

And the vision that was planted in my brain

**Am**

Still remains

**C            G            Am**

Within the sounds of silence.

In restless dreams I walked alone,

Narrow streets of cobble stone.

'Neath the halo of a street lamp,

I turned my collar to the cold and damp,

When my eyes were stabbed by the flash of a neon light

That split the night

And touched the sounds of silence.

And in the naked light I saw

Ten thousand people, maybe more.

People talking without speaking,

People hearing without listening,

People writing songs that voices never shared,

And no one dared

Disturb the sounds of silence.

"Fools!" said I, "you do not know,

Silence like a cancer grows.

Hear my words that I might teach you,

Take my arms that I might reach you."

But my words like silent raindrops fell...

And echoed in the wells of silence.

And the people bowed and prayed

To the neon gods they made.

And the sign flashed out its warning,

In the words that it was forming,

And the sign said, "The words of the prophets are written on the subway walls

And tenement halls."

And whispered in the sounds of silence.

With your mind.

When He walked upon the water,  
And he spent a long time watching  
From a lonely wooden tower,

And when he knew for certain  
Only drowning men could see Him,  
He said, "All men shall be brothers,  
then,

Until the sea shall free them,"

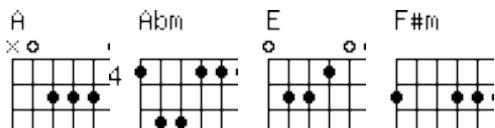

But He himself was broken

Long before the sky would open,  
Forsaken, almost human,  
He sank beneath your wisdom  
Like a stone.

And you want to travel with Him,  
And you want to travel blind,  
And you think you maybe trust Him,  
For He's touched your perfect body  
With His mind.

Suzanne takes you down  
To her place by the river,  
You can hear the boats go by,  
You can spend the night forever,  
And the sun pours down like honey,  
On our lady of the harbour;  
And she shows you where to look  
Amid the garbage and the flowers.  
There are heroes in the seaweed,  
There are children in the morning,  
They are leaning out for love,  
And they will lean that way forever,  
While Suzanne holds the mirror.

And you want to travel with her,  
And you want to travel blind,  
And you think maybe you'll trust her,  
For you've touched her perfect body  
With your mind.

G D A A<sup>4</sup> A A<sup>4</sup>

Tangled up in blue.

She was married when we first met, soon to be divorced  
I helped her out of a jam I guess but I used a little too much force.  
We drove that car as far as we could, abandoned it out west.  
Split up on a dark sad night both agreein' it was best.

She turned around to look at me  
As I was walkin' away.  
I heard her say over my shoulder  
"We'll meet again some day on the avenue"  
Tangled up in blue.

I had a job in the Great North Woods workin' as a cook for spell  
But I never did like it all that much and one day the axe just fell.  
So I drifted down to New Orleans where I was lucky 'nough to be employed  
Workin' for a while on a fishing boat right outside Delacroix.

But all the while I was alone  
The past was close behind  
I met a lot of women  
But she never escaped my mind and I just grew  
Tangled up in blue.

She was workin' in a topless place when I stopped in for a beer.  
I just kept lookin' at the side of her face in the spot light so clear.  
Later on as the crowd thinned out I was just about to do the same.  
She was standin' there in back of my chair sayin' "Tell me, don't I know your name?"

I muttered something underneath my breath.  
She studied the lines on my face.  
I must admit I was a little uneasy  
When she bent down to tie the laces on my shoe.  
Tangled up in blue.

She lit a burner on the stove and offered me a pipe.  
"I thought you'd never say hello" she said; "You look like the silent type."  
Then she opened up a book of poems and handed it to me.  
Written by an Italian poet from the 15th century.

And everyone of those words rang true  
And glowed like a burnin' coal.  
Flowing off of every page  
Like it was written in my soul from me to you.  
Tangled up in blue.

I lived with him on Montague Street in a basement down the stairs.  
There was music in the cafes at night and revolution in the air.  
Then he started into dealing in slaves and somethin' inside of him died.  
She had to sell everything she owned and just froze up inside.

Then at last when the bottom fell out  
I became withdrawn.  
The only thing I knew how to do  
Was to keep on keepin' on like a bird that flew  
Tangled up in blue.

Now I'm going back again, I've got to get to her somehow.  
All the people we used to know they're an illusion to me now.  
Some are mathematicians, some are carpenter's wives.  
Don't know how it all got started; I don't know what they're doin' with their lives.

But me I'm still on the road  
Headin' for another joint.  
We always did feel the same  
We just saw it from a different point of view.  
Tangled up in blue.

Walk along and talk along,

And live your lives quite freely.

G C  
But leave our children with their toys,  
G D G C G D

Of peppermint and candy.  
G C

For seagull, I don't want your wings,

G D G  
I don't want your freedom, in a lie.

Your thoughts they are of harlequin,  
Your speeches of quick-silver.

I read your faces like a poem,  
Ka-leidoscope of hate words.

For seagull, I don't want your wings,  
I don't want your freedom, in a lie.

On the quilted battle-fields of soldiers,  
Dazzling made of toy tin.

The big bomb, like a child's hand,  
Could sweep them dead just so to win.  
For seagull, I don't want your wings,  
I don't want your freedom, in a lie.

As you fill your glasses,  
With the wine of murdered Negroes.  
Thinking not of beauty that,  
Spreads like morning sun-glow.  
Seagull, I don't want your wings,  
I don't want your freedom, in a lie.

I pray your dreams of vivid screams,  
Of children dying slowly.  
And as you polish up your guns,  
Your real self be re-flecting.  
For seagull, I don't want your wings,  
I don't want your freedom, in a lie.

Vietnam; your latest game,  
You're playing with your blackest Queen.  
Damn your souls and curse your grins,  
I stand here with a fading dream.  
For seagull, I don't want your wings,  
I don't want your freedom, in a lie.

I travelled my life without a care,

**(A\*) A    A/G#    A    A\* A A\*...**

Ah, but all my love I was savin'.

Oh, the winds blew high and the trees did sway,

Not much from life was I askin'.

Till I met someone to give all my love,

All my love, so long an' lasting.

Oh, good were the parts we played in our game

And a long ways off was tomorrow.

But my love was a rambler and restless as the sea,

And in the tide came sorrow.

Oh, a child of the night is goin' to be born,

I can't explain my confusion.

Is my love thinkin' to marry me at all

Or of the freedom he thinks he'll be losin'?

I sit with my friends in the gay crowded room,

My friends they're smokin' and a-talkin'.

But it all seems so empty, my love is not there,

So I'll go into the streets a-walkin'.

My baby is a-growin' as a-growin' it must,

If I were to lose it, it would grieve me.

My love is so helpless and I'm wonderin' what to do.

Oh, how I yearn to help him.

Oh, we could go to the land of your choice

Where the false shame won't come knockin' at our door.

I've a feeling in my heart and it's crushing all my hopes,

I think I'm gonna be hurt some more,

Oh, I was born with the name Geraldine,

With hair coal black as a raven.

I travelled my life without a care,

Ah, but all my love I was savin'.

Going home where the New York City winters aren't bleeding me

I don't care if they tear down trees, I don't feel the hotter breeze,

Sink in dust in dying seas, I don't care at all.

William Zanzinger killed poor Hattie Carroll

C Am Em

At a Baltimore hotel society gatherin'

C Am Em

And the cops was called in and his weapon took from him

C Am Em G

And booked William Zanzinger for first degree murder.

F G C Am F G C

But you who philosophise disgrace and criticise all fears,

F G C Am

Take the rag away from your face,

F G C

Now aint the time for your tears.

William Zanzinger, who had twenty-four years,  
Owned a tobacco farm of six hundred acres,  
With rich wealthy parents who provide and protect him,  
And high office relations in the politics of Maryland,  
Reacted to his deed with a shrug of his shoulders,  
And swear words and sneerings, and his tongue it was a-snarling,  
And in a matter of minutes on bail was out walking,

CHORUS

Hattie Carroll was a maid in the kitchen,  
She was 51 years old and gave birth to ten children,  
Who carried the dishes and took out the garbage,  
And never sat once at the head of the table,  
And didn't even talk to the people at the table,  
And just cleaned up all the food from the table,  
And emptied the ashtrays at a whole other level,  
Got killed by a blow lay slain from a cane,  
That sailed through the air and came down through the room,  
Doomed and determined to destroy all the gentle,  
And she never done nothing to William Zanzinger.

CHORUS

In the courtroom of honour, the judge pounded his gavel,  
To show that all's equal and that the courts are on the level,  
And that the strings in the books ain't pulled and persuaded,  
And that even the nobles get properly handled,  
after the cops have chased after and caught 'em,  
And that the ladder of law has no top and no bottom,  
Stared at the person who killed for no reason,  
Who just happened to be feelin' that way without warnin',  
And he spoke through his cloak most deep and distinguished,  
And handed out strongly for penalty and repentance,  
William Zanzinger with a siz-month sentence.

Oh, but you who philosophise disgrace and criticize all fears,  
Bury the rag deep in your face, For now's the time for your tears.

# Wake me up

Am F C G Am F C G

Am F C C  
Feeling my way through the darkness

Am F C C  
Guided by a beating heart

Am F C C  
I can't tell where the journey will end

Am F C C  
But I know where it starts

Am F C C  
They tell me I'm too young to understand

Am F C C  
They say I'm caught up in a dream

Am F C C  
Well life will pass me by if I don't open up my eyes

Am F C C  
Well that's fine by me

Am F C G  
So wake me up when it's all over

Am F C G  
When I'm wiser and I'm older

Am F C G  
All this time I was finding myself

Am F C G  
And I didn't know I was lost

Am F C G  
So wake me up when it's all over

Am F C G  
When I'm wiser and I'm older

Am F C G  
All this time I was finding myself

Am F C G  
And I didn't know I was lost

I tried carrying the weight of the world  
But I only have two hands

Hope I get the chance to travel the world  
And I don't have any plans

Wish that I could stay forever this young  
Not afraid to close my eyes

Life's a game made for everyone  
And love is a prize

So wake me up when it's all over

When I'm wiser and I'm older

All this time I was finding myself

And I didn't know I was lost

So wake me up when it's all over

When I'm wiser and I'm older

All this time I was finding myself

And I didn't know I was lost

D<sup>11</sup> C G

And the sands on the shoreline will be shaking

D<sup>11</sup> C G

And the tide will sound and the waves will pound

G C C/B D/A G

And the morning will be a-breaking

Oh the fishes will laugh as they swim out of the path

And the seagulls will be a-smilin'

And the rocks on the sand will proudly stand

The hour that the ship comes in

And the words that are used for to get the ship confused

Will not be understood as they're spoken

Oh the chains of the sea will have busted in the night

And be buried on the bottom of the ocean

A song will lift as the main sail shifts

And the boat drifts unto the shoreline

And the sun will respect every face on the deck

The hour that the ship comes in

And the sands will roll out a carpet of gold

For your wearied toes to be a-touchin'

And the ship's wise men will remind you once again

That the whole wide world is watchin'

Oh the foes will rise with the sleep still in their eyes

And they'll jerk from their beds and think they're dreamin'

But they'll pinch themselves and squeal

And they'll know that it's for real,

The hour that the ship comes in

And they'll raise their hands

Sayin' we'll meet all you demands

But we'll shout from the bow

Your days are numbered

And like Pharoah's tribe they'll be drownded in the tide

And like Goliath they'll be conquered

# Whiskey in the Jar

C

Am

As I was a goin' over the far famed Kerry mountains

F

C

I met with captain Farrell and his money he was counting

C

Am

I first produced my pistol and I then produced my rapier

F

C

Saying "Stand and deliver" for he were a bold deceiver

G

With your whack for the diddle day

C

F

Whack for the daddy-o, whack for the daddy-o

C G<sup>7</sup> C

There's whiskey in the jar

I counted out his money and it made a pretty penny

I put it in my pocket and I took it home to Jenny

She sighed and she swore that she never would deceive me

But the devil take the women for they never can be easy

(Chorus)

I went up to my chamber, all for to take a slumber

I dreamt of gold and jewels and for sure 't was no wonder

But Jenny blew me charges and she filled them up with water

Then sent for captain Farrell to be ready for the slaughter

(Chorus)

't was early in the morning, just before I rose to travel

Up comes a band of footmen and likewise captain Farrell

I first produced me pistol for she stole away me rapier

I couldn't shoot the water, so a prisoner I was taken

(Chorus)

Now there's some take delight in the carriages a rolling

and others take delight in the hurling and the bowling

but I take delight in the juice of the barley

and courting pretty fair maids in the morning bright and early

(Chorus)

If anyone can aid me 't is my brother in the army

If I can find his station in Cork or in Killarney

And if he'll go with me, we'll go rovin' through Killkenny

And I'm sure he'll treat me better than my own a-sporting Jenny

(Chorus)
