      G                         Em
As I was going over - The Cork and Kerry Mountains
      C                         G
I saw Captain Farrell - And his money he was counting
      G                         Em
I first produced my pistol - And then produced my rapier
          C                         G
I said "Stand and deliver - Or the devil he may take ya"

I took all of his money - Yeah, and I brought it home to Molly
      G                         Em
She swore that she loved me - No, never would she leave me
C                                 G
 But the devil take that woman - Yeah, for you know she tricked me easy

For about six or maybe seven - Yeah, in walked Captain Farrell

I jumped up, fired my pistols - And I shot him with both barrels

```
      G                                    Em
Now some men like the fishing - And some men like the fowling
C                                G
   And some men like to hear - To hear the cannonball a-roaring
G                            Em
Me, I like sleeping - Especially in my Molly`s chamber
C                                    G
   But here I am in prison - Here I am with a ball and chain, yeah
